Community Health Update - *May 19, 2021*

STAFF MEMBER TESTS POSITIVE FOR COVID-19

One staff member of the C&R has tested positive for COVID-19. This employee last worked on Tuesday, May 18th. They began experiencing symptoms while working and went home. We received the positive result today as part of our regular surveilance testing, which was conducted for all C&R staff and residents earlier this week.

As advised by the Department of Health, our C&R is now in Public Health Monitoring Status. This includes the following measures for the next two weeks:

- No new admissions are permitted.
- No group dining or activities are permitted.
- Outdoor visitation is available and Compassionate Care visits are permitted.

COVID-19 Active Case Tracker:
