You cannot enter the Aquatic Center until 5 minutes before your appointment begins and you will not be permitted to linger once it ends. (Staff need every minute between appointment slots to disinfect the facility).
- Report to the Panorama Auditorium Screening Station to be screened shortly before your appointment time. (Please be aware the screening station is busiest between 8:45 am and 9:15 am. To make the process as efficient as possible, please do not arrive before 9:15 am if you are signed up for the 9:30 am appointment time).
- The only Aquatic Center door available will be the door that opens directly to the pool deck (see photo below for detail). Please show your screening receipt to the lifeguard upon entering.
- Masks must be worn at all times when you are not in the pool/spa.
- Locker rooms are not available. You must arrive and leave in your pool attire.
- Use the rinse shower before entering your reserved pool/spa.
- You may place your personal items (towel, robe, shoes, keys) on a pool deck chair.
- The couple's restroom on the pool deck will be available for toilet use.
- You can only use the pool/spa you signed up for.
- Shared pool equipment (kickboards, dumbbells, etc.) are not available. You must bring your own equipment if needed.
- If you decide to leave before your appointment time is complete, you will not be permitted re-entry.
- The lifeguard will announce time warnings to let you know when your appointment is coming to an end.

## Apartment Building Garbage and Recycling Service

Due to updated guidance regarding how the virus is transmitted, we are happy to restore the convenience of all-day access to the garbage facilities in the apartment buildings. On **Monday, August 3rd**, staff will no longer pick up garbage or recycling outside apartment homes.

### **Chinook and Chalet Residents:**

Chinook and Chalet residents can resume usage of nearby recycling centers and their building's garbage facilities on August 3rd.

### **Quinault Residents:**

Quinault residents can resume usage of their building's garbage facilities on August 3rd. Please use the recycling receptacles located on floors 1-5 near the dumpster chute. These containers will be for co-mingled recycling only. If the recycling is contaminated, unfortunately it will be disposed as trash.

## Apartment Building Mail Service

The mail rooms in the apartment buildings will remain closed until further notice. Staff will continue to deliver mail, packages, and newspapers to apartment building residents to ensure only screened individuals are entering the building. Staff will ring the doorbell upon delivery. If no answer, a note will be left in your memo box to notify you the package was slipped just inside your door. We cannot leave packages in the hallway due to egress and safety concerns to fellow residents and emergency staff.

## Status of Campus Amenities

The Status of Campus Amenities document will be continually updated on Kya to reflect physical amenities and spaces that have resumed activities. This list is not inclusive of events and campus groups that meet outdoors, via Zoom or privately. Please tune into Kya, Inside Panorama, News with

Lu and the Panorama Newsletter for updates on the many activities and groups that are actively promoting their activities.
