

Community Health Update - July 13, 2021

STAFF MEMBER PRESUMED POSITIVE FOR COVID-19

We are reporting what has been deemed by the Department of Health as a “probable case” of COVID-19. The staff member has been isolating at home since July 3rd after learning that their child was exposed to COVID-19 at daycare. The child tested positive on July 9th. The staff member began showing symptoms as well but their test came back negative. Due to the presence of symptoms as well as confirmed exposure, the Department of Health is considering the test result a false negative and has instructed the staff member to continue isolating at home.

This staff member does not work in a healthcare setting; therefore, there are no impacts to the C&R and Assisted Living.

COVID-19 Active Case Tracker:

- 1 staff case
- 0 resident cases in the Convalescent & Rehabilitation Center
- 0 resident cases in Assisted Living
- 0 resident cases in Independent Living
